ABOUT THE ORCHESTRA

The Concord Chamber Orchestra was founded in 1975 to provide volunteer musicians the opportunity to create stimulating musical experiences for the enjoyment and inspiration of Milwaukee area audiences and, through its annual concerto competition, to give promising young musicians a venue in which to perform. Its membership consists of players from various professions and age groups united by a love of music. In 1993, the orchestra made the community of Wauwatosa its home, and performs regularly at St. Matthew’s Evangelical Lutheran Church.
