# About the CCO

## Making Classical Music Accessible

The Concord Chamber Orchestra was founded in 1975 to provide volunteer musicians the opportunity to create stimulating musical experiences for the enjoyment and inspiration of Milwaukee area audiences and, through our annual concerto competition, to give promising young musicians a venue in which to perform.

Our membership consists of players from various professions and age groups united by a love of music. The orchestra made the community of Wauwatosa its home in 1993, and now performs regularly at St. Matthew's Evangelical Lutheran Church.
